

SCHOOL SHOES for Boys and Girls

NOW IS THE TIME to get our boys and girls ready for school—and one of the necessary articles is Shoes. We take just as much care in fitting boys' and girls' shoes as we do the grown-up. We enjoy selling them because we believe if we can make friends with the boys and girls we are in the good graces of the whole family.

We try to get comfort, style and service in every pair of Shoes we buy. The large stock we have of them shows how well we have succeeded.
